### THE 2012 WOMEN IN RESOURCES AWARDS

The Women in Resources Awards recognise individuals and organisations working to build a world-class industry which provides attractive career opportunities and enhances the recognition and participation of women in the sector.

Ms Nicole Hollows, former Chief Executive of Macarthur Coal Limited will give a keynote address. Nicole will share her stories of success, proving that women can and should occupy senior positions within the industry and make valuable contributions to their companies, sector and the community as a whole.
